

INTERNSHIP EXPERIENCE CERTIFICATE

To Whom It May Concern

This is to certify that Mr. **Arslan Shafique** completed a three-month internship at **Techohub** as an **AI Engineer (Intern)** from **1 July 2026 to 30 September 2026**.

During his internship, Arslan contributed to the development and enhancement of Productix Co-Pilot and ERPNext-related solutions. His work involved AI technologies such as Large Language Models (LLMs), Retrieval-Augmented Generation (RAG), and Natural Language Processing (NLP), along with API integration, backend and REST API development, database operations, authentication, ERP customization, web development, containerization, deployment configuration, version control, testing, debugging, and technical troubleshooting.

TECHNOLOGIES & TOOLS

Backend & AI: Python, FastAPI, JWT, Groq API, LLMs, RAG, NLP, Google APIs	Databases & ERP: PostgreSQL, MySQL, ERPNext, PHP
Frontend: HTML, CSS, Bootstrap	DevOps & Version Control: Docker, Docker Compose, Git, GitHub

Throughout the internship, Arslan demonstrated a strong learning attitude, sound technical understanding, and effective problem-solving skills. He maintained good coordination and communication with team members, was punctual and responsible in his assigned duties, responded positively to feedback, and showed professionalism, adaptability, teamwork, and commitment to completing tasks.

We appreciate his contribution to Techohub and wish him continued success in his future academic and professional endeavors.
